

Jesse Comeau

Web Developer

Organized and resolute individual looking to obtain a challenging position in web development.

WORK EXPERIENCE

FIS

Fraud Supervisor

Milwaukee, WI | October 2019 - January 2022

- Managed 7 direct reports on a team of 13 total support associates, while assisting with an offshore team comprising of an additional 25 analysts providing 24x7x365 fraud monitoring for EPP product lines.
- Cross trained onshore representatives to increase productivity and retention. Productivity has increased 30% YoY with a turnover rate of 7.1% during the first full year in a leadership position.
- Identified defect and enhancement opportunities. Worked in partnership with additional resources to prioritize. Optimization reduced client escalations and increased associate efficiency.
- Identified multiple RPA opportunities and worked closely with developers to ensure quality progression. Completed development resulted in the production of 10 FTE.
- Collaborating efforts with internal partners and external input have resulted in an 85.21% decrease in completed fraud on FIS held liability YOY.

Huntington National Bank

Branch Relationship Bank

Milwaukee, WI | July 2018 - June 2019

- Discover customer needs through conversation and recommend tailored solutions.
- Organize and present at community events, increasing brand awareness and educating the public.
- Contributed to a 260% increase in revenue share versus previous year.
